

Guidelines for information shared/posted via *SDFC* communication tools

SDFC welcomes the sharing of information and news related to the Guild and the subject of Calligraphy and related arts. All posted material must reflect the interests of SDFC and protect the integrity of the organization. Content suitable for sharing/posting via SDFC communication tools must adhere to the following standards:

- articles/photos focus only on Calligraphy and/or related arts
- articles/photos are presented in an objective manner without stated or implied endorsement by SDFC
- articles/photos are submitted only with prior consent of the artist(s) for use of their likeness, and/or that of their art and/or their name

Consistent with the above guidelines, materials NOT appropriate for sharing/posting include:

- articles/photos that are not about calligraphy and/or related arts
- items of self-promotion or for personal gain
- items of a political, religious or inappropriate nature

SDFC maintains the right to refuse publication of and/or to remove materials that fall outside of these guidelines.
